 - Coursework taught Final Cut Pro, Lightroom and programming/scripting languages including R, SQL and Python.

WORK EXPERIENCE

- Fairbanks Daily News-Miner** Fairbanks, AK
Sports Reporter June 2019 – June 2020
- Wrote approximately eight stories a week, including recaps, features and previews.
 - Covered Alaskan sports, including World Eskimo Indian Olympics, sled dog racing and snowmobile racing, in addition to local high school sports and NCAA teams at the University of Alaska Fairbanks.
 - Shot and edited my own photos using Adobe Photoshop.
 - Was responsible for sports section layout and compiling the day's most relevant AP stories for print.
 - Managed the sports section for two six week periods while section editor was out of the office.
- Pac-12 Networks** San Francisco, CA
Sports Business Fellow Oct 2018 – May 2019
- Participated in fellowship with rotations in the Partner Services, Marketing and Digital Product departments.
 - Shadowed talent and producers on weekends and evenings and learned to clip highlights using Dalet.
 - Built dashboards illustrating ROI for on and off-channel advertisements to help make data-driven marketing decisions.
 - Built recap decks outlining marketing efforts and results for the 2018-19 basketball and gymnastics seasons.
 - Created and executed marketing plan for the 2019 Pac-12 softball season.
 - Assisted with ticket distribution, on-site partner activations and in-game promotions for corporate partners at the Pac-12 Football Championship Game and Pac-12 Basketball Tournament.
- NBC Sports** Stamford, CT
Rio Olympics Production Intern July 2016 – Aug 2016
- Worked as a liaison between directors in central tape, control rooms and studio sets.
 - Served as a runner and assisted production managers during live production.
 - Shadowed producers and editors in the Olympic features department.

ACTIVITIES AND ATHLETICS

- The Stanford Daily** Feb 2015 – Sept 2016
Managing Editor of Sports, Desk Editor, Staff Writer
- Managed staff of 20 writers and five Desk Editors.
 - Edited approximately 20 articles a week and was responsible for section layout.
 - Managed online content published through Wordpress, and promoted stories on Twitter and Facebook.
 - Beat reporter for Stanford football, beach volleyball, men's water polo; filled in for baseball, sailing, golf and club sports coverage; also produced feature content.
- Stanford Varsity Lightweight Rowing** Sept 2016 – June 2018
Student-Athlete
- Walked on to National Champion varsity team junior year and raced in regattas across the country.
 - Balanced 20 hours of practice each week with courseload and was named a 2018 CRCA Scholar-Athlete.
 - Demonstrated the ability to set and achieve individual and team goals in a competitive, high-pressure environment.
 - Team won the 2017 and 2018 IRA National Championships.
